1. In view to arrangements being made for allotting stalls, it is requested that exhibitors will notify to the undersigned, four days prior to the Show, what exhibits they intend to enter and for what prize they intend to compete.

2. Competitors must sort their own articles and arrange them in the appointed places before midnight of the 12th January 1910.

3. No prize shall be awarded unless there are at least two competitors for it, except in cases of rare excellence, when the Judges will use their own discretion.

4. All exhibits sent for competition must be *bona fide* the produce of, or have been raised by exhibitors, and unless otherwise specified, must have been grown in or about Bangalore. The Judges may withhold any prize until proof of these conditions be produced. Contractors bringing up fruits and vegetables for competition in their own name are disqualified.

5. Exhibitors will be provided with free tickets, after sufficient enquiry, and such tickets will not be issued after 12 noon on the 12th idem.

6. It shall be competent for the Judges to reduce or withhold the amount of prizes, if, in their opinion, the articles exhibited do not merit the full sum awarded.

7. The Show will be closed at 6 P.M. the same day. Exhibitors may then remove their articles.

8. Articles sent for competition are not to be sold before 10 A.M. on the day of the Show.

Circular No. 2123—*T.* 487, *dated* 11*th December* 1909.

To—The Heads of Offices and Departments, and Deputy Commissioners, Treasury Department.

Sir,—I have the honor to state that the system of drawing and accounting for money required for contingent expenditure is not clearly understood in some offices, and detailed bills in support of abstract contingent bills are not submitted within the time allowed. The items awaiting clearance in the objection books of my office are swelled in consequence, and I request that Heads of Offices and Departments will co-operate with me in effecting their adjustment promptly.

2. The certificate printed on the back of the abstract contingent bill (form Financial 22) requires the submission of detailed contingent bills for all contingent charges drawn prior to the 1st of the month in which the bill is presented at the Treasury for payment, if it is presented after the 15th of the month. The object with which this certificate is insisted upon is to ensure the submission of detailed bills for all abstract bills drawn in any month before the 15th of the following month, and this object is frustrated if, when such detailed bills are due, abstract bills are presented at the Treasury for payment between the 1st and 15th of any month. It has been observed in some cases that the drawing officer has signed the certificate though detailed bills in support of the abstract contingent bills drawn had not been sent to this office as therein required. The following are a few of such instances noticed by this office during the course of audit of these bills:—

1. E. C.—Dates of abstract contingent bills for August and September 1909 charged in the 2nd list with the certificates on the reverse are 20th August 1909 and 20th September 1909, while the date of the detailed contingent bill for July 1909 is 2nd October 1909.
2. S. G.—Out of the amounts drawn in June 1908, details for Rs. 1,350 have not till now been furnished but several abstract bills have been drawn after that with the certificate attached.
3. D. C. M.—The detailed contingent bill for December 1908 is dated 26th March 1909, though in the abstract contingent bills for February 1909 cashed on 27th February 1909, the usual certificate has been furnished.
4. D. C. S.—The detailed contingent bill for May 1909 is dated 24th August 1909 though in the abstract contingent bill dated 30th June 1909 the usual certificate has been furnished.

3. The note printed at the top of the bill and the note on the reverse thereof are defective. In accordance with the note, as now printed, the Treasury Officer cannot object to pay abstract contingent bills presented between the 1st and 15th of any month though detailed bills for sums drawn during any of the preceding months may not have been sent. The words "it bears date subsequent to the 16th and" the note on the top of the bill will therefore be omitted in future, and the following substituted for the note on the reverse of the bill:—

"*Note.*—The following certificate must be signed in all cases. If the bill bears date within the 15 of the month, the word '*Current*' may be changed to 'last.'" The Treasury Officer shall refuse to encash a bill unless the proper certificate is signed."

4.—Due intimation will be given from time to time, to the Treasuries, of the offices which do not submit their detailed contingent bills in time, and the payment of further abstract contingent bills stopped till the detailed contingent bills are submitted.

5. Should the Head of an office, for any reason, anticipate delay in furnishing a detailed bill for any unusual or special charge, he will apply to this office for extension of time for submitting it when the Treasury will be duly apprised of the fact and instructed to pay the officer's abstract contingent bill up to a specified date on the production of a certificate modified in respect of the special items. Such cases, it need hardly be observed, will necessarily be few.

6. The Superintendent of the Government Press will be requested to make the alterations noted in para 3 *supra* when next printing the form of the abstract contingent bill. The Heads of Offices are requested meanwhile to see that the alterations are made in manuscript till new forms are supplied by the Press.

7. The Treasury Officer should see that the above instructions are strictly observed and that the certificate on the back of the bill is in the proper form as provided for in para 3 *supra*.

I have the honor to be,
Sir,
Your most obedient servant,
J. S. CHAKRAVARTI,
Comptroller.
